Michael Hassig

CARBONDALE

I've always been a believer in the importance of community involvement. RFL gave me the skills and confidence to turn that belief into action.

HOW MICHAEL HAS PLUGGED HIMSELF INTO OUR COMMUNITY:

CURRENT:

- Mayor, Town of Carbondale
- Chairman, Garfield County New Energy Communities Initiative Advisory Board
- Board Member, CORE (Community Office for Resource Efficiency)
- Board Member, Ruedi Water & Power Authority

PAST:

- Chairman, Carbondale Planning & Zoning Commission
- Board Member, Mt. Sopris Nordic Council

Tuition covers 40% of our program costs.
RFL is made possible through donations from our community.
